

# Neighbourhood plan

## Teats Hill, Artillery Place & Exeter Street Flats

We have improved security through renovation of security gates at Exeter Street, and changed door entry systems to an easier to use fob system.

We have improved the play area at Exeter Street to make a more attractive and safe area for children to use.

We have completed regeneration of Teats Hill & Artillery Place, and installed a ramp enabling easier access for disabled and less mobile residents.

We have implemented stairwell cleaning at Teats Hill & Artillery Place.

There are issues with anti-social behaviour and some people are suffering from noise nuisance.

There is a sense of community, but there is room for improvement.

Residents are happy to work with PCH and other agencies to embrace improvement and change.

This is your neighbourhood plan for Teats Hill, Artillery Place & Exeter Street Flats. We've put it together with your help to explain the main issues affecting your area and what needs to be done to make it a better place to live.
