

Neighbourhood plan

Whitleigh

We have renewed roofs, facias and soffits on properties in Whitleigh and completed improvement works on Ipswich Close and Budshead Road blocks

We have worked with residents on a one-to-one basis to help improve health, well-being and living.

We have worked with local agencies to try and reduce antisocial behaviour in the local area. Taking legal action on persistent offenders where possible.

Most residents feel safe and secure in their neighbourhood.

Residents feel there is a sense of community and are happy with the services and support in the neighbourhood.

There are issues with parking and speeding

Residents are happy with the outdoor spaces such as green spaces and parks.

This is your neighbourhood plan for Whitleigh. We've put it together with your help to explain the main issues affecting your area and what needs to be done to make it a better place to live.

What are we going to do?

What?	Why?	How?	When?
Improve cleanliness, reduce littering, and dog mess within the area and improve security.	To improve the environment for residents and enable them to take pride in where they are living.	Speak with Plymouth City Council about getting more bins for the area. Look at installing further security measures in areas affected by antisocial behaviour	2022/ 2023
Lobby council and other agencies regarding parking issues.	Residents have said that they are struggling to park and there is an issue with speeding.	Speak to Plymouth City Council about parking options and potential solutions. Lobby highways, Councillor/MP and our own management team. Line painting to be completed.	2022/ 2023
Reducing crime and ASB.	Due to an increase in reports.	Continue to jointly work with the police and other agencies and use housing management tools to tackle ASB. Staff to be more visible around the estate. Ensure good communication and reporting lines between residents, police, the council and ourselves.	2022/ 2023
Continue to build on community engagement.	To promote and increase opportunities for residents in the area and encourage community cohesion.	We will attend local events and promote different agencies and services in the local area. We will also be encouraging new residents to the area to engage with the community and help them access these services if needed.	2022/ 2023
Promote health and well-being.	To encourage healthier choices and improve wellbeing.	Promote Learn for Free courses and community events linking into Plymouth's Thrive agenda, New Home New You and the Swap to Stop scheme. Signpost residents to support services.	2022/ 2023
